

## MORTUARY SYSTEMS

- **Our company has lots of experience in maintenance, repairing, overhauling, alignment, installation and we have lots of legal documented valid contracts now and approval certificates from the Ministry of Health.**
- **And we have a large list of clients you can view in the customers page from the navbar.**
- **Thanatopraxy which became wildly successful on a global scale. Today, AHALYNA is a recognized leader in the mortuary maintenance field in Saudi Arabia.**
